DBQ Senior - 31

Pleasant Valley - 74

**City High - 87** record (48-16)

DBQ Wahlert - 90

DBQ Hempstead - 109

Cedar Falls - 170

Tonight was the best, complete race the varsity has raced this season! We once again, had to deal with heat, and with conditions that were not ideal for fast racing, but for TOUGH racing! All ten of you were tough, focused, and running for each other and the entire team of 76! It was evident from the start that we were ready to go out a bit harder, and set our sights on schools that are ranked higher than us right now. It was fun to watch you before, during, and after the race enjoy the results, while considering the process of being the best you can be on a daily basis. We have three weeks until the championship phase of our season, and this was a great step in the direction that this team is heading. Congratulations and stay hungry for more!
